Servers of Process

With over 15 years experience, Calgary Document Service will serve all your civil process documents throughout Calgary, Alberta and Canada. We offer professional, courteous and efficient process service for the city of Calgary, Alberta and Canada.

For our out of Calgary and out of Alberta clients we offer the same professional, courteous and efficient service. We have a Notary Public on staff for out of Alberta actions.

Through our associates we are able to arrange service of your documents throughout Canada.

Although we are unable to guarantee that every service will be successfully executed within a limited time period, we are confident you will recognize our professional and diligent effort in every case.
